

Wellingborough DCS

13 April 2019

Many thanks to my two lovely stewards and the gracious exhibitors.

Bichon Frise

Puppy D/B (3,0)

1st Miss J Marsden, Winharleigh Magic of Music, 6 months male, the baby of the class to look at but so well composed and accurate for age. Well balanced and smart in appearance, desired muzzle to skull ratio, good depth of pigment all through, nice mouth, dark round eyes. He carried his head high on a nicely arched neck, good chest for age, well ribbed, correct angles front and rear, moved effortlessly. BOB & BPIB

2nd Mrs D Carr, Daveyluvs D'Artagnan, a 7 months boy who was very well presented with lovely crisp, clear white coat. Another who shows potential, well composed for age, pretty and balanced head with desired pigment, correct eyes, slightly rounded skull, strong neck, level topline and lovely plume, moved well just preferred the front of 1st going with more reach. RBOB

3rd Miss J Dawson-Payne, Judamie Got a Crush on You

Post Graduate (1,0)

1st Miss C Keen, Linsandim Expecto Patronium, 18 months bitch, she was a lovely size and overall balanced shape, such a pretty head and expression, good mouth and nice dark round eye. Presented in excellent order by this new exhibitor she went around the ring really enjoying herself. I would like a little more bone and she was a little close going away.
