### DOBERMANN

#### Junior (1/0)

**1<sup>st</sup>: Hickling's Supeta's Under The Spell of Evalesco.** Black and rust bitch, not long out of puppy. I liked this bitch for her substance and elegance. Presented in hard condition, it was a pleasure to put my hands on her. Head had good proportions, with a nice length of muzzle. Dark almond eyes, set nicely. Would prefer a little more fill under the eyes. Tight lips. She had a strong head but clearly feminine. Good shoulder placement, enough upper arm and tight elbows. Deep ribcage, well filled out. Short loin with powerful hind quarters. Once settled, she showed good reach and drive, holding her topline at all times. Square, substantial, yet elegant. Happy to award her BOB. Congratulations on Group 2.

#### Post Graduate (2/1)

**1<sup>st</sup>: Hickling's Supeta's Under The Spell of Evalesco.**

#### Open (1/0)

**1<sup>st</sup>: Lainchbury's Ashlain Trypiti JW ShCM.** Black and rust bitch, nearly 4 years. Clean wedge shaped head, nice planes. Dark almond eyes, well set ears which she used well. Loved her expression. Super clean neck, leading into good shoulder placement. Would have preferred a slightly longer upper arm. Tight elbows, ribcage reaching to brisket. Slightly longer in loin. Hindquarters well muscled. Presented in top condition. Really moved out well. Held her topline at all times. RBOB.

Judge: Tanya Pilgrim (Woodbriar)
