Golden Retriever – Bitches

Minor puppy (5,2)

1st ZUBAIR & TRINDER Thornywait Cassiopeia. Reserve Best Bitch, Best Puppy Bitch, Puppy group 1 & reserve Best Puppy in Show.

This puppy caught my eye as she entered the ring with her presence and balance. Very pretty head with good pigmentation. Good length of neck into well laid shoulders. Well off for bone with good angulation front and rear. Moved with drive for one so young holding her topline.

2nd HILL Sandaula Kiss From a Rose (AI)

Another quality puppy although a slightly different type to 1. Pretty head with good pigment. Good length of neck into well laid shoulders. Straight front, well off for bone and nice tight feet. Good angulation front and rear with well let down hocks. Unhappy on the move as something had spooked her.

2nd COOK Calarose Precious Gem

Slightly stronger type to 1 but still worthy of her placing. Balanced bitch with feminine head and good pigment. Clean strong neck placed on well laid shoulders. Good bone, straight in front. Good angulation front and rear. Moved well holding her topline but preferred 1 on the move.
