

WELLINGBOROUGH & DISTRICT CANINE SOCIETY

13.April.2019

I would like to thank the committee for inviting me to judge and all my exhibitors for their entries. I enjoyed my first judging appointment, made so much easier by two extremely helpful stewards who looked after me.

MANCHESTER TERRIER:

P (1) Harrisons Rosadyva Midnight Sapphire. 7 months old, good wedge shaped head with nice dark almond shaped eye, lovely temperament, moved ok, sympathetically handled just needs time to gain in confidence.

J (1) Boots Harliboo Word Gets Around. 15 months, lovely dog, up to size but in proportion & well balanced. Masculine head with correct ear set. In good condition with clear markings. Handled well, moved round the ring with purpose maintaining a good topline and tail carriage.

PG (1) Harrisons Larkswing Belle Star At Rosadyva. Gentle girl with pretty head, markings ok, in good condition with pleasing body shape, nice tuck up and good bend of stifle. Could use ears more. Moved well.

O (5, 0) 1. Goodwins Digelsa Date Night At Holtaire. Elegant bitch with dark sparkling eye and correct ear set. Lovely crest of neck, nice topline, good body shape with slight rise over the loin. Her flowing movement round the ring was a joy to watch, very good rapport between dog & handler and more than happy to award her BOB.

2. Church, Dale & Saxtons Rattustrap Fade To Black (AI). Another v.nice youngster, was unsure on the table to begin with but soon settled. Feminine head, good markings and a compact body shape with good angulation front & rear, handled well just preferred the movement of 1 on the day. RBOB.
