### Nova Scotia Duck Tolling Retrievers

I would like to thank the committee for inviting me to judge this lovely breed. I had some very promising dogs before me and I thoroughly enjoyed judging them. Special thanks go to my very efficient and helpful steward, Dawn.

**P** (4, 2) 1 Burgess Melanitta Sinamay 11 month old pretty bitch. Lovely head, almond eyes and good teeth. Very kind expression. Good neck and angulation. Very well balanced and moved well with purpose. In good coat and nicely marked. A very nice package with a good future ahead of her BP

2 Anstead Riverwatcher Kila Well up to size 11 month old dog. Nice head and eye. Well boned legs and good angulation. Coat in excellent condition. Kept a level outline on move.

**J** (3, 2) 1 Burgess Melanitta Sinamay.

**PG** (5, 1) 1 Burgess Camusmor King Rob. Loved this 3 year old dog, really is my type. Needs to mature a bit more. Beautiful head, good teeth, lovely kind eye. Excellent angulation. In super coat, a lovely dark colour. Moved well and kept a good level outline RBOB.

2 Rice Tollerice Daneyko. I have judged this bitch before when she was a puppy. She has grown on well. Lighter in frame than 1. Very pretty head with a kind expression, almond eye. Good angulation. Nicely marked and in good coat. Moved very nicely.

3 Akehurst Ripplerush Averbode 4 Sharpe Tivalake Crystal Ball at Rosettia JW, RL1 EX.

**O** (2) 1 Anstead SH CH/BEL/LUX/NL/INT SH CH Riverwatcher Atka. Beautiful 6 year old dog. Super head and neck. Angulation good in front but hind angulation rather straight. I felt he was too heavy over the shoulders. Moved superbly as though he owned the ring. In lovely coat, good colour with excellent markings BoB.

2 Rice Tollerice Aivazoff. Pretty 7 year old bitch. On the small side but correctly made. Good angulation and moved very well,
