Post Grad (2,1)

1. Ochre's Vanilla Spice at Woodhawk
Brown and tan with a pretty head and good feet. Good bite. Rather let down by the weight she is carrying which affected her movement and overall shape.

This was my best class of this day. Some lovely puppies about.

1. Winarose Wanderin Star
All of a piece. This young Catalan must surely have a bright future if he continues to grow on in these ideal proportions. Good neck and well layed shoulder into impressive topline. Good front and rear action and ideal overall balance. Coarse coat coming through. Very impressive. BP and Puppy Group 1

Puppy (1)

1. Estjak Rio Douro
Good for colour, mask and overall substance, this Estrela youngster had a bad start to the say, being unsettled by show noise. Many good breed points but needs to settle into his legs now and strengthen up behind.

Veteran (8, 4)

1. Manordeifi Satin Doll of Koczkdan
This free moving bitch stole the veteran class for me with her excellent overall condition and muscling. Still very sound with her long sweeping stifles still contributing to a great rear action. Best pastoral Veteran
2. Shemist Golden Sun
Sheltie in great coat and so owning the ring! Full dentition and moving with great aplomb. Another excellent veteran.
