Open Show on Saturday 13th April 2019.

Thank you to the committee for their kind invitation to judge at their Open Show this year. I was pleased with my entry and the Rhodesian Ridgebacks that entered under me were of sound temperament. Ridges were of a good quality.

Puppy: 3

1st Thompson's Globalridge Red Coral. At just eight months of age this young bitch did not put a foot wrong. Mid wheaten puppy of lovely type, clean head of good proportions however I would have preferred a little more depth of muzzle. She stood on correct feet with good front and rear angulation. Lovely body with nice length of rib. She moved out well coming and going and was at ease in the ring. BPIB & PG4.

2nd Pearce's Msingi Not On Your Nelly. A sweet, happy, red wheaten bitch at just six months old. Clean head of correct proportions leading into neck of good length, good front angulation and standing on correct feet.
