### Cocker Spaniels

Thank you to the committee for inviting me to judge a nice, well run show and to my steward for making everything run smoothly and lastly to the exhibitors for the lovely selection of dogs to judge.

#### Class 1 minor puppy (1)

1st Matthews, Sonham Jimmy Choo Pleasing o/r, has the most appealing head of good proportions, well defined stop, good pigment, tight dark eyes, ample length of neck flowed into shoulders, very balanced throughout. Deep well sprung ribs, short coupled, moved around the ring with a merry attitude, made good use of his well set tail. Shown in glorious puppy jacket, stood alone in this class but was happy to award him BP when challenged.

#### Class 2 Puppy (4) 1a

1st Matthews Sonham Jimmy Choo

2nd Corcoron Troverothway Vanity Fair. Most appealing expressive head, on this Black n tan rich tan in all the right places, nice short cobby baby, well sprung ribs, good angulation to front, moved happy and confident. Just needs to coordinate herself behind and settle. Shown in beautifully presented coat.

#### Class 3 Jun (6)3a

1st Pearce-Grudger, Glowhill Silversmith for Pearkim, very stylish b/w dog, scores on overall balance and expressive head, defined stop and width to muzzle. Good reach of neck, flowed into well placed shoulders, spring and depth to ribs, short coupled, firm level topline. Moved with drive, well presented. Res BOB

2nd Corcoron Troverothway Upon a Star, Black n Tan, cobby throughout, feminine expressive head, defined stop good length to neck and front angulation width to forechest. Loved her neat padded feet and compactness, although moved merrily, did not have the rear drive as winner. This also let her down in the challenge for BP
